

Amna Javed

Full Stack Developer

amna32611@gmail.com • +92 3084346029 • Lahore, Pakistan

RESEARCH INTERESTS

Computer Science student and aspiring Full-Stack Developer with hands-on experience building responsive web interfaces and interactive applications using JavaScript, React, and modern web technologies. Currently expanding expertise in Next.js, TypeScript, backend development, and AI-powered applications. Seeking opportunities to apply my skills in real-world projects, contribute to a development team, and grow toward a career in Full-Stack and AI Engineering.

EDUCATION

Bachelor of Science in Computer Science (BSCS)

Virtual University of Pakistan | Lahore, Pakistan | Oct 2025 – Present

Relevant coursework: Programming Fundamentals, Object-Oriented Programming, Data Structures, Database Systems, Web Development

ACADEMIC & RESEARCH EXPERIENCE

Frontend Developer Intern

20 September 2026 – 20 October 2026

CodeAlpha, India - Remote

- Developed responsive web applications using **React, TypeScript, and Tailwind CSS** with reusable components.
- Built multiple frontend projects including a **portfolio, calculator, music player, and image gallery**.
- Used **Git/GitHub** for version control and applied responsive UI development practices.

RESEARCH PROJECTS & PUBLICATIONS

Meetora AI

Built a responsive frontend with interactive UI, authentication flows, modals, form validation, and mobile-responsive design, integrated with a Voiceflow AI chatbot.

Methods & Tools: HTML, CSS, JavaScript, Voiceflow, Responsive Design
